REPORT.

SACRAMENTO, November 22, 1884.

To his Excellency GEORGE STONEMAN, *Governor of California:*

SIR: I have the honor to transmit the report of the Trustees of the State Library for the thirty-fourth and thirty-fifth fiscal years, ending June 30, 1884.

Very respectfully, your obedient servant,

TALBOT H. WALLIS,
State Librarian and Secretary of the Board of Trustees.

REPORT OF TRUSTEES OF THE STATE LIBRARY.

STATE LIBRARY, September 2, 1884.

To his Excellency GEORGE STONEMAN, *Governor of California:*

The Trustees of the State Library respectfully submit the following as their report for the thirty-fourth and thirty-fifth fiscal years, ending June 30, 1884:

The total number of books in the library at the close of the thirty-third fiscal year, ending June 30, 1882, was 54,460 volumes. The total accessions during the past two fiscal years have been 3,050 volumes, making a total of 57,510 volumes in the library at present.

In the purchase of so many of these as have not come by exchange or donation, attention has been directed chiefly to the completion of broken sets of books and the continuation of series in the course of publication.

The interest lately manifested in Oriental languages, literature, and religion has induced the purchase of a number of books relating to those topics, and the total absence of homœopathic works in the library, and the prominence of the question of water supply to, and drainage of cities and towns, has caused considerable additions to be made to the medical, sanitary, and engineering departments.

We take pleasure in adding that the library is in good condition and is still improving.

A. C. FREEMAN, President.
HENRY EDGERTON,
MATT. F. JOHNSON,
I. S. BELCHER,
J. J. OWEN,
Trustees.
